## This Week's Focus

### Reading-

- Determining the meaning of words and phrases that allude to significant characters found in mythology
- Novel Studies

### Language Arts:

- Write a narrative to develop an imagined experience using dialogue, description, and sensory details.

### Math-

- How do I find the perimeter of a rectilinear figure?
- Problem solving with money, time, and distance

### Social Studies-

### Science -

- What are similarities and differences between stars and planets?
- Why do some stars appear brighter than others?
- How well do models describe the relative size, order, appearance, and composition of planets and the sun?

600,000 people are homeless in the U.S.

Socks are the MOST requested and LEAST donated item at homeless shelters.

Last year Vaughan collected 705 pairs of socks for local men, women and children in Cobb County!

## How to Help!

- VES is joining in Kid President's initiative to "Be awesome" and "spread goodness!" through the Socktober project again this year
- Please donate **NEW** socks (all sizes accepted ☺)
- Donation bins located outside of cafeteria and front office
- These socks will be donated to shelters in our area

## Kids and Social Media

Parenting in the Digital Age has its challenges. Come join us as we identify the risks and rewards that youth face online and empower parents with the tools they need to "parent in the digital age."
