MATH

How do we use place value to understand rounding multi-digit whole numbers to any place?

ELA

How can I develop a story arc to write a personal narrative?

SOCIAL ST.

What events led up to the American Revolution?

STORYWORKS

This year we would like to purchase the **Scholastic Storyworks** magazine publications to use in the classroom.

It is a great resource which addresses many of our 4th grade Language Arts standards. The magazines will provide reinforcement of the concepts that we are teaching in our language arts block in a format that is educational and appealing to students. The cost for this magazine is \$10.

REMINDER TO SUBMIT YOUR SCHOLASTIC BOOK CLUB ORDERS!

We had so much fun at super specials this week! We also loved learning about Taxation without representation!
